Dear Future and Current Eagles,

On behalf of the University of North Texas, I would like to welcome you to our verdant campus and hope your time here is one of success and of memory building. My name is Marcos Villarreal and I am the Latinx Student Service Coordinator here at UNT and at our Multicultural Center as well as the coordinator who oversees our brand new Eagle Dreamers Resource Center. I will be your personal point of contact for all things DACA/Undocumented/Latinx initiatives. At UNT, we know that applying to college can be a confusing process, and undocumented and DACA students are required to take some additional steps to complete their applications. We are also aware that the college experience looks different for DACA/Undocumented Students.

In light of this, I am pleased to present you with your UNT Application Toolkit to help you on your journey to success!!

In the attached links and documents, you will find:

• An individualized schedule of steps needed to complete your enrollment process at UNT
• Senate Bill 1528 Affidavits, which must be signed, notarized and returned to UNT Admissions and Financial Aid via fax, email, or mail.
• Information on the TASFA application for state financial aid
• UNT Admissions contact information
• A list of campus resources for DACA and SB 1528 students.

I hope that you will find this information useful on your journey towards becoming a part of the Mean Green Family. Please feel free to reach out to me with any questions or concerns you may have.

With Mean Green Pride,
Marcos A. Villarreal M. Ed.

Deferred Action for Childhood Arrivals

DACA was an executive action taken by President Barack Obama which allowed undocumented immigrants who came to the US under the age of 16 to apply for protection from deportation. After completing a background check, those individuals were able to receive two-year permits to work and study in the US as well. Since 2012, roughly 800,000 people were protected by the program, and roughly 700,000 had active DACA protections. Please visit idea.unt.edu/DACA for updates.

What is Senate Bill 1528?

- Certain unauthorized immigrants are eligible to enroll in Texas public colleges and pay in-state tuition. In 2001, the Texas Legislature passed a bill that states that these students may be eligible for state grants. Eligible students MUST meet certain criteria provided in the legislation to be considered for Senate Bill 1528 status.

Requirements:

Any person, regardless of immigration status, who:
1.) Graduated from a Texas public or accredited private high school
2.) Resided in Texas the 36 months immediately preceding the date of graduation or receipt of the diploma equivalent,
3.) Resided in Texas the 12 consecutive months preceding the census date of the academic semester in which the person enrolls in an institution is entitled to classification as a resident for tuition purposes.

- Students who are not U.S. Citizens, U.S. legal permanent residents, or eligible non-citizens do not qualify for federal financial assistance to pay for college.
- Under SB1528 students are eligible to receive a variety of forms of state financial aid, but first must fill out the Texas Application for State Financial Aid (TASFA).
- In order to be classified as in-state under 1528 students who meet the above requirements must turn in the notarized SB 1528 Affidavit (on page 3) to the admissions office.

What is TASFA?

The Texas Application for State Financial Aid is used to collect information to help determine eligibility for state financial aid programs that are administered by institutions of higher education in the state of Texas. Students who are classified as Texas Residents who cannot apply for federal financial aid using the Free Application for Federal Student Aid (FAFSA) are encouraged to complete the TASFA. Please note that Texas Residency can only be determined by the institution that you plan to attend. This application cannot be used to determine your state residency status or final eligibility for state aid.

Texas state priority deadline for many institutions of higher education will vary by college for the 2022-2023 award year. It is recommended that applicants complete and submit this application and any other required documentation to the Financial Aid Office prior to the state priority deadline date. The Financial Aid Office starts taking applications October 1st.

UNT SCHOLARSHIPS

The University of North Texas offers various scholarship opportunities to help you finance your education. A scholarship is a financial award given to a student on the basis of academic achievement and promise. Many scholarships are awarded based on merit. However, some also take into account financial need.

- Activate your MyUNT account.
- Complete the General Scholarship Application: https://unt.academicworks.com/
- Monitor your EagleConnect email account

What kind of loans can DACA students receive?

- It is possible for DACA students to apply for private student loans, although there are a lot of hoops to jump through. Your DACA status can be used as proof that you are in the country legally. However, you also need good credit and proof of income in order to qualify for a loan without a cosigner.

- Citizens Bank, for example, requires that international student borrowers have a creditworthy cosigner who is a U.S. citizen or permanent resident. Discover's student loans for international students have the same requirement. MPOWER Financing is one lender that doesn't require DACA students to have a cosigner.
Getting a Job on Campus

DACA students seeking on-campus employment are not treated any differently than any other student. They will need to:

1. Create their Handshake account
2. Upload required documents (resume and completed student employment application are the minimum required documents)
3. Students need to apply to as many jobs as they think they are qualified for. Most students will not start to receive call backs until they have applied to 20-25 jobs. Students need to check for jobs on Handshake often like 3+ times a week.

Once a student has been offered a job they will:

4. Be asked to complete a background check
5. Sign an official offer letter
6. Be asked to supply I-9 documents for verification (acceptable documents on page 12)
7. Be directed to the onboarding website.
